TOUCHLESS HYGIENE STATION

VENIXLIFE

Sanitizing stations in stainless steel which are extremely compact, robust and functional.

A VENIXLIFE product with a functional and ergonomic design.

TOUCHLESS HYGIENE STATION Hand Sanitizers

The VENIXLIFE HYGIENE STATION is made in compliance with the HACCP international health and hygiene standards utilising materials and solutions that respect the environment and is totally PLASTIC WASTE FREE.

Height adjustable plate for any bottle

The innovative **TOUCHLESS** system sanitizes hands by a gel that is released by the use of a pedal that can be adjusted automatically.

The **TOUCHLESS** solution is ideal to prevent any surface contact with your hands.
